

Application No. 10/001,521  
Amendment dated August 31, 2007  
Reply to Office action of April 26, 2007

**CONCLUSION**

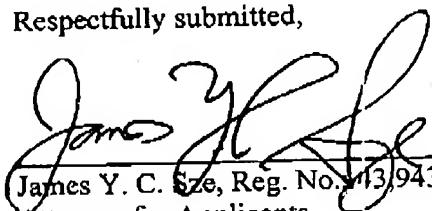

Claims 1-19, and 23-46 are pending. Claims 1-17, 45 and 46 are allowed. Claims 18, 19, 23-41 are rejected under 35 U.S.C. § 101.

Claims 18, 19, 23-41 have been amended from "system" claims to "apparatus" claims. Claim 18 has been further amended to include the processor, a physical element. As an apparatus is patentable subject matter, and a physical element has been claimed, Applicant asks that the Examiner kindly remove the rejection.

In view of the foregoing Amendments, Applicant submits that this application is in condition for allowance. Early notification to that effect is respectfully requested.

Respectfully submitted,

Dated: August 31, 2007
